

FOUNDATION FOR RURAL
EDUCATION AND DEVELOPMENT

FRED Program Eligibility

Thank you for your interest in FRED programs. Applications for any of the four programs that FRED offers to rural communities must be nominated by an OPASTCO member who serves the area.

OPASTCO is a trade association for small independent telephone companies and vendors in the United States and Canada. Large companies such as Verizon, Sprint, AT&T, Qwest, etc. are not members of OPASTCO and therefore communities or individuals served by these companies are not eligible to apply for funding.

On the following pages you will find a listing of cities that have an **OPASTCO telephone member**. If you are located in one of these cities, contact your local telephone company and confirm that they are a member of OPASTCO before you fill out an application. Only current members of OPASTCO may nominate applications. If you are not located in an OPASTCO service area, you cannot receive funding from FRED and should not apply for any program offered.

Note: Some OPASTCO members do provide nontraditional telecom services in areas outside of the city shown in this document. If you live in or around one of these cities, contact your service provider to see if they are an OPASTCO member.

If you are a company that would like to become an OPASTCO member or renew your membership to benefit from the programs FRED offers, please visit the OPASTCO website at www.opastco.org or call (202) 659-5990.
